THE PANTHER

Buckeye High School

Buckeye, Louisiana

Annual message

To The People of Buckeye School Community and to Buckeye Student Body

Let us strive to accept responsibility and let us determine to be moderate in our actions and thinking.

Let us seek high positions because we have achieved, not because our neighbor is weak.

Let us judge all people including ourselves by a few good rules.

Ask yourself - Am I honest?
Ask yourself - Am I interested in fair play?
Ask yourself - Do I respect the property and rights of other people?
Ask yourself - Am I industrious and ambitious?
Ask yourself - Do I try to build and not tear down?

If the answer to these questions is yes, you have the qualities for leadership and the world needs you.

Promise yourself that this school and community will be better because you have lived here and you will be remembered and honored by those who come behind you.
